

NEED WORKERS FOR SEAL DRIVE

Ogden Falling Down on Sales
Says Local Campaign
Secretary

The S. O. S. call was sounded in Ogden today by the committee in charge of the Christmas Seal campaign here for the Utah Public Health Association. Thus far little aid has been accorded those in charge of selling seals and a view of putting Ogden over the top in this work, Secretary George A. Bennett, has asked for energetic workers.

But \$400 has been obtained from the sale of stamps in Ogden and only fifteen days remain before the campaign closes. In Salt Lake more than \$4,000 has been obtained for the cause, Secretary Bennett said today.

WORKERS NEEDED.
"Workers are needed and in order to make the drive a success in Ogden we must have aid," said Secretary Bennett today. "We are not to believe the record made last season but from present indications we will be lucky to equal last season's work unless we have more workers. Today we had not two workers. Yesterday we had four. What we need in this drive is cooperation. Anyone who is willing to aid in this work may communicate with me at 701 Capitol Station building. Ogden must go over the top."

The four-minute women of the city under Mrs. J. G. Palk will speak in the interest of the campaign at the theatre of the city Thursday evening. Four-minute men under E. P. Doherty will make their final address in behalf of the campaign in the theatre next Saturday evening. These men also addressed Ogdenites last Saturday evening.

SCHOOL GIRLS TO AID.
Efforts are being made to have young women of the high schools of the school aid in the drive after school hours. Next Saturday the young women who have been working under Miss Gladys Bick will be back on the job and will operate the booths in the stores and banks of the city.

The drive will be discussed at the meeting of the Board of the city Wednesday.
